

Rajshahi Science & Technology University (RSTU) has been established in 2013 with a strong desire for the advancement of the country's higher education through technology education. RSTU was built on the spirit of "INCREASE ME IN KNOWLEDGE". Its purpose is to educate the students to understand what knowledge is and how they can act upon it through hard work, honesty, politeness, and community service. It is not only about trying to improve only ones education, but by contributing to the local community as well as to the country as a whole, a person will able to grow knowledge for the entire humanities. RSTU is committed to QUALITY EDUCATION AT AFFORDABLE COST and is focused on your future by providing a career oriented higher education that emphasizes:

- Active participation in classes, with a focus on teaming and collaboration.
- The useful and practical, to complement rigorous theoretical study.
- Intentional co-curricular experiences to cultivate holistic student development.
- Learning how to do, while learning what to do.
