### Eligibility of Admissions

Green University of Bangladesh (GUB) is growing steadily upholding the spirits of its oath "A *Global Higher Education Center of Excellence*" in order to contribute to the development of the business and technological sectors of Bangladesh. GUB programs are updated continuously by an independent academic council consisting of some scholars from renowned academic institutions of the country and are based on curricula of North American Universities. Our graduates are much sought after and employed by the corporate sectors of the country.

There is a wide range of Undergraduate Programs that GUB offers so that prospective students can make their degrees as exclusive as they may desire. At GUB, we are committed to assuring academic excellence and a dynamic learning environment in each of our Undergraduate Programs. Our superlative faculty is always ready to support students with the greatest assistance. The following information will help you to have an overview of the Undergraduate Programs, including all the instructions under GUB rules and regulations.
